## **Summary:**

The word "Heart" can be found multiple times in scriptures. And, when it does appear, it seldom simply means the organ in your chest, the muscle that pumps and pumps. It doesn't talk about what your doctor wants to check regularly with EKG and blood tests. In the Bible, "heart" refers to such things as personality, intellect, memory, emotions, desires and the will of man. In this week's sermon, Bishop Paul Ojeda examines the heart of the believer and the reshaping of your heart through God's vision for your life. God wants you to enjoy what He enjoys. You are God's special work, unique, a once in an eternity person created beautifully by Him. God is at a consent work in you and through you. God is interested in you, your heart and your life. How do you reshape the center of your spiritually? It begins with the heart!

## **Questions to ask yourself:**

- What does loving the unlovable look like? When have you seen that kind of love displayed?
- What are some ways you can open your heart to listening better to those around you?
- Give one example of how can you develop a heart like Jesus?

## **Become a follower of Jesus today by saying this prayer:**

"Dear God, I know I'm a sinner, and I ask for your forgiveness. I believe Jesus Christ is Your Son. I believe that He died for my sin and that you raised Him to life. I want to trust Him as my Savior and follow Him as Lord, from this day forward. Guide my life and help me to do your will. I pray this in the name of Jesus. Amen."
